NOTE:

The information contained in this specification is carefully collected and considered to be true. Its purpose is to inform our customers on our product without exempting them from their own obligation to test the described product on its fitness for the intended use. The customer is responsible for adequately checking the qualification prior to use, including the necessary documentation as applicable.

Releasing this product specification, all previous delivered versions are revoked.

The product meets the requirements and standards of German and European food law for food intended to be directly consumed or to be used as an ingredient.
